## **Living As Your Presence Part I**

*We suggest that during this holiday season, you look at new ways you can gift one another as awakened beings. For you are here to set new standards of living on Earth by being your Presence and becoming living demonstrations of your own mastery. That was the gift of the Christ Jesus as surely as it has been the gift of every living master. Now it is your turn to be a demonstration of that same Divine Love and Light that is your true inheritance. Every moment of your life is an opportunity to live as your Presence and share this inheritance with others.*

**Masters Jeshua and Mother Mary:**

We honor your magnificent Presence and acknowledge the Divine Love and Light that abides as the essence of the Christ within your heart. We are here to accelerate your potential to walk in your Christed estate of mastery. As you share your gifts with each other this holiday season, we invite you to let your family and friends know how much they are appreciated, loved and honored for being a part of your life, for this acknowledgement is far greater than any material gift!

In 2011 many souls awakened into their greater potential to live their lives as an expression of Source Love and Light. There is now such a universal outpouring of Love and Light being sent into your world that thousands of souls are awakening to their true potential for living in Christ or Unity Consciousness. As this vast awakening progresses, be prepared to be joyfully overwhelmed by how quickly many souls will demonstrate more compassion and unconditional love in their daily lives.

Those of you who moved deeper into Unity or Christ Consciousness during the many shifts that occurred in 2011 sent a great wave of Divine Love into the hearts of humanity. That wave has allowed immense numbers of people around your world to start remembering what a tremendous gift it is to be here during this Great Shift in the Ages.

Many are starting to remember how powerful, loving and wise they truly are and that they have the ability to make positive changes by simply aligning their minds with the Source consciousness that is already encoded within their heart. For this encoded Source Love and Light to be activated, there needs to be an equal balance between the mind and the heart—between power and love. This alliance is being supported by the spiritual realms that are now amplifying these Source energies

throughout your world so everyone has the opportunity to establish a deeper relationship with the Presence, which will transform your world.

Earth was designed to be a Garden of Eden. Yet the thoughts and feelings of humanity created a much different world. Now YOU *as your Presence* are being invited to create the foundations for a new Golden Age with *new* thoughts of love, peace, joy, unity and abundance from your truly awakened hearts. This creation begins inside each of you—for you chose to be here in a time when you would have the opportunity of living as your Presence on Earth and truly walking the Earth as a living Master. We are here to support your capacity to create in ways that will continually expand the Divine Love and Light that has always been a part of your true inheritance—bringing forth a new Golden Age of Freedom.
