Consciously Create 2012 Part I

As Chenrezig, the Lord of Compassion, I come forth today with my Beloved Qwan Yin to invite all of you to be our emissaries on Earth by extending compassion into the hearts and lives of all sentient beings. This is especially needed on your Earth right now based on the tremendous changes that all of life is experiencing in your realm as you collectively lift your consciousness into a much deeper connection with Source. The new paradigms many of you will be creating in this year must be founded on caring for one another in ways that are often foreign to those living on your Earth. See the other as yourself and then see yourself and all of life as the One Beloved. This compassionate practice has the power to heal all that has created duality, fear and

separation in your world and beyond. We extend our gratitude into each of your hearts for your willingness to create 2012 out of the profound compassion that is the natural estate of your Presence.

~ Lord Chenrezig & Lady Quan Yin

As you continue to ascend into a new dimension of your shared consciousness, ask yourself what you can do to assist all of life in graduating into Unity Consciousness. 2012 is your year to choose what you want to create by looking deeply at your own Divine Crystalline Blueprint for these times. Why are you here during what appears to many to be a very chaotic cycle for both humanity and the Earth? Then go deeper so you can see and feel that all of the energy that is being cleansed out of the collective consciousness of humanity can be transformed through the alchemical frequencies within the heart so they can actually *be used to create the glorious foundations of a new Golden Age*. There is no waste in the cosmos ~ there is no trash that cannot be recycled.

As sacred beings living in sacred times, you now have the tremendous opportunity of expanding your mastery by living in more “compassionate discernment.” This kind of discernment involves being increasingly more vigilant regarding what you are creating and supporting in your minds or bodies as well as what you are bringing into your homes. This includes the things you eat and wear and even what you throw into the garbage. It includes looking at all the ways you are spending your time. What are you reading and what are you watching on television or on your computers? What shows or games are you giving your precious time and attention to? And what kind of music are you listening to that is filling your body and the space in which you live? This is all part of creating more of a sacred space within yourself, within your environment and

upon your planet, so you have the conditions for creating the foundations of a new Golden Age in 2012.

We suggest that you extend your creative potential by being more discerning in what you are sharing in your communications and what you are supporting in your relationships with yourself, your partner, your children and your friends. You can do this by witnessing everyone from the position of your non-judgmental Presence, so you can be discerning without being judgmental. Your service, your creative projects and your co-creative projects can then be imbued with what will support the highest truth and greatest good for all those involved.

Your responsibility is to keep expanding your perspective so the welfare of as many as possible is taken into account within the living, pulsing essence that has always been designed to unify all of life so humanity can live—at long last—as a truly functional family of Light.

You are indeed living within an auspicious year that will continue to imbue you with specific crystalline frequencies designed to support your ascension while continuing to align you with your pre-separation encoding all the way back to the Divine Spark of the Eternal Self that was seeded in your heart at your first inception from out of the Heart of Source. This spark was given so you would always have the capacity to create your Earth from the unlimited consciousness of your God Presence.

To assist you in manifesting from this unlimited consciousness, *Consciously Create 2012 Part 2* has been created so you can be part of using these pivotal times to start creating the foundations that will establish a new Golden Age ~ an Age that will establish lasting freedom

based on the heart's natural desire to love unconditionally and to create in unlimitedness and joy.

Consciously Create 2012 in Unlimitedness & Joy Part 2 will be presented Live in Maui and by Telecast/Skype/Webcast May 4, 5 & 6 and ***Consciously Create the Golden Age Teachers Certification Training*** will be held in Maui June 2-5 ~ the only time this year!
