## **A Time Like No Other Part II**

*Your freedom is in living in the Oneness of Unity Consciousness, and that Oneness can only exist in the moment. The past is only in memory and the future is only in your imagination, yet you, as your Presence, are omnipresent and it is your Presence, primarily in its Divine Feminine expression of Love, that is going to be leading humanity into her new Golden Age of*

*Freedom. Since you have all lived in separation for many thousands of years, this merger with the loving expression of your Presence has been an ongoing process that is now accelerating based on the Earth needing to found its next Age in Divine Unconditional Love for all of life. Yet know, beloveds, that your new Age is also based equally on your willingness to also embody the Divine Masculine attributes of your Presence. To initiate new leadership in your world, the Divine Feminine and Divine Masculine need to work as a team and this capacity now needs to be instilled within the consciousness of as many souls as possible within every country. We applaud all that you are doing to assist yourselves and others in living as the Presence in action upon your physical plane.*

~ The Councils of the Opalescent & Diamond Heart

New ways of guiding your world that will benefit the whole are greatly needed, and to meet that need, we are coming forward to provide more guidance than ever before. We have seen over many centuries what has *not* worked and we have witnessed very little that has truly benefited all the people or supported the eco systems of

your glorious planet.

The essence levels of your being are keyed into your *original Divine encoding from Source*, and it is from **this** level of your being that people will be exercising their capacities to be Golden Age wayshowers and leaders. The foundations for this grand unfolding can begin by everyone coming together as their Presence in small and large Councils of Light. The members of these Councils will be drawn together based on mutual interests and the desire to initiate changes in the world for the good of all.

These Councils will bring great joy into the hearts of all those involved because humanity is basically bored with coming together to share stories that are based on past events and many Lightworkers now yearn to gather with others to design the future that will support the needs of the whole. The future can only be born in the present since that is the *no-time* zone in which your Presence abides.

You will discover that there is a level of internal excitement which naturally arises based on what is unfolding in the magnificent mystery of the moment and it is out of those pregnant moments that the Golden Age

will naturally arise out of the hearts of those who are truly waiting to be part of co-creating your next cycle of life on planet Earth.

Meanwhile the Ascension process continues as it is vital to the true embodying of your Presence. Your entire endocrine system is now being influenced by the new frequencies that are continuing to amplify the matrices of sound, light, color and geometry that are a natural part of your etheric Spiritual Centers. This is creating an upgrade in your endocrine system so it can start distributing hormones into your bloodstream that are based on the great increases in the solar waves of energy that are now coming into your body from the Central Sun.

In response to these waves of Source Love and Light, the pineal gland, which has been extensively suppressed within humanity for many thousands of years, is now reopening to its full capacity so this vital gland can be used for anchoring the Presence more fully into your Crown Center. Your entire endocrine system and how it produces, assimilates, and distributes hormones into your blood stream is in the process of adjusting to the many changes that are taking place within your body and within the Earth herself so you can each be all you came to be,

and do all you came to do as the leaders and wayshowers of your new Golden Age of Freedom.

We in the Ascended Realms are bringing forth the *New Golden Age Leadership Training* to assist you in being those leaders and wayshowers for humanity.
