### *Living as a Christ*

#### Part II

*The Earth and all life upon her are constantly being maintained through the inward and outward flow of the breath that is connecting everything and everyone with the essential core of all that is living. When every breath is pulsing in harmony with the heart beat of the universe and each breath becomes an ongoing prayer of gratitude for life itself, many of you will realize that you have come to Earth at this*

*pivotal time to “breathe” into being the foundations for a new Golden Age of Freedom.*

~ Jeshua as Jesus the Christ

### **Mary Magdelene within the embrace of Mother Mary:**

Many of you are reaching out for a new vision, a new reason to keep on maintaining your desire for living on your Earth while all life upon her, within her and above her is being shifted into an entirely new reality. As the energy increases within and around your bodies and your world, it is good to remember that this increase is escalating the ascension frequencies so all of life can move through this shift in as much ease as possible. It might be helpful to know that going from a third to a fifth density world has never been done before, yet each of you has chosen to be a part of this glorious shift.

This may be more enjoyable for you and everyone in your life if you not only understand what is going on, yet you also see how you can take a more active part in the ascension process. You are presently being given the opportunity to be part of creating the foundations for a new Golden Age and new Golden Age Communities. Every one of you has unique gifts that can be put to use during this magnificent unfolding. Your offering needs to be seen by you and then demonstrated ~ not so you can be seen and appreciated, yet rather so you can *feel* your deeper purpose in being here during this Great Shift in the Ages.

What many of you are seeing and feeling now is the uprooting of the old world to make room for the seeding of the new. A Golden Age always begins with a complete shift in consciousness. It takes courage and great passion to create a new world. I am witnessing both your excitement and your occasional unrest, yet know that your unrest is a deeply wonderful sign because it is awakening the passion within your deep heart to move forward in your ascension.

The unrest you may be witnessing in your lives or seeing in the world around you can be used as fuel to awaken the deeper energies within your belly and your heart, for these are needed for you to rise up and out of your slumber. Your hearts must literally be opened, and in some cases shocked open, for some of you to be moved beyond your complacency and the lives you have considered normal.

To move into Unity or Christ Consciousness, you must remember how to live in communion ~ or in community ~ with everything and everyone. Your whole being is literally being realigned to live in harmony with the natural rhythms that exist within nature, within the lives of the animals on your land, the birds in the air and the fish in your seas. Everything that is alive is literally being nourished by the Great Cosmic Mother.

You sometimes forget that you are a citizen of the cosmos and that you are living within the universal womb of this Great Mother whose only desire is to nourish and support your well being on every level.

***Every heart that beats was meant to be in harmonic resonance with all of life everywhere. Right now this pulse beat is speeding up to assist in the great awakening.***

This increase in the energies that are surrounding your world are also coming forth to support you in moving your mind and feeling nature out of its limited programming so you can live more fully in the present. The Presence ***only*** lives in the moment. Just as the Earth is surrounded by an etheric sphere that is filled with the Mother's love, you too live in a spherical womb of energy that just keeps getting larger as you embody more of your Presence. Your time has come, beloveds, not only to rise out of your ancient slumber, yet also to live completely from the love that is encoded within and around every heart.

To assist you in this glorious adventure that every heart and soul has longed for, we have created the ***Golden Age Man and Woman Course*** to personally mentor you to embody your Presence, walk your mastery, and co-create a new Golden Age of Freedom.
