Living as a Christ

Part 1

My “return” is indeed taking place within each of your magnificent hearts as you accept that you were created to embody all the love, the wisdom and the true power of your own Presence. The potential for living your mastery and loving from the heart of your own inner Christ is the opportunity of a lifetime ~ the opportunity of ascending into an entirely new dimension of Consciousness, for surely the time has come

for moving your mind, your heart and your body into the freedom of a new Golden Age.

~ Jeshua as Jesus the Christ

Mastery is generally embodied one-by-one, yet as we watch you awaken, we are observing the blossoming of your *shared* Oneness and seeing how it is starting to embrace the collective energies of humanity's consciousness like a delicious spring breeze filled with the ecstatic essence of a thousand roses and the Light of a thousand suns. As you accept and feel the *Oneness* as your true and natural estate of being, you will want to continue living in the unconditional embrace of The Beloved more than anything else you could ever desire on any plane or dimension of being.

As this Presence is remembered within the hearts, minds and bodies of more and more of humanity, the excitement is rising like a magnificent wave ready to carry all of you into the Heart of the Beloved as the One Self you have always been. Every being on your planet is being invited to shift their consciousness out of all of the beliefs that have allowed the separation encoding to overshadow the original encoding from Source.

This original encoding from Source within your heart is connected to the dormant strands of your crystalline DNA. This is all being awakened to reveal the pre-separation information within your body and within the sphere around your body. The ecstatic essence of your Presence is calling you right now to live as your fully potentialized self. As this occurs more and more, the news will spread like *wildfire* and the winds that connect all of you will intensify that fire to ignite the hearts of the many who have come here specifically to awaken and to co-create the new Golden Age of Freedom.

You are moving past your ages-old need to simply *hope* or *wish* that you were living in paradise. All these kinds of futuristic desires are suddenly being absorbed into the deeper realization that you are creating your paradise in each unfolding moment. In fact, you no longer need to uncover the *reasons* you

may be feeling unfulfilled, or why you are not experiencing your abundance, or not living with the perfect partner, etc., etc. Any limiting conditions you may be experiencing are founded in beliefs you are holding as true in your subconscious, yet underneath even the deepest programming in your subconscious is this:

You are Love.

Anything else you may believe is not true.

You are here simply to BE that Love.

Although fear was originally centered on the need to physically survive in a primitive world, it eventually became centered on the *ego's* need to survive by staying in control at all costs to oneself and others in the community. In a Golden Age, the ego mind will be aligned with the soul's higher desire to live in the unconditional love of the Presence that is shared by all. As the Presence re-enters the heart as the director of one's thoughts, the survival of the ego will no longer be one's primary concern.

***The freedom to be the full expression of
your God Presence is the foundation of
your next cycle of creation and co-creativity.***

You are all at a major choice point for yourselves personally and for yourselves collectively ~ one that is very similar to the one that rose before your hearts at the end of Atlantis. Many of us who are serving with you on the inner planes were there with you then, and we are here with you now to encourage you to support each other's highest calling so you can eliminate competition, the need to be in control, the need to victimize yourself or others, or the need to sustain any behavior that is based on old survival programming.

Your safety and your protection is assured by your Presence. Everything that supposedly *happens* to you is really *created by you and your Presence* to awaken your soul and increase your mastery. As you surrender deeper and deeper into your own God Presence, you will realize that you are completely

unencumbered by anything that happened in the past and you are totally free to move forward as a conscious co-creator of a Golden Age of Freedom.

To aid you in being a conscious co-creator of your own life and a Golden Age of Freedom, we have created **The Golden Age Man and Woman Course** to personally mentor you to live an unlimited life of freedom, joy and abundance as your Presence.
