Moving Beyond Limitation *Part I*

These times are so filled with the Love and Light of Source that everything you are thinking and feeling is being amplified and put into motion much more easily than in the past. We invite you to ask your Presence to assist you in establishing such a powerful inner witness that it will allow you to see with your mind and feel with your heart whether or not your current choices

and ways of living are truly supporting your living in Unity Consciousness, or are they simply expanding the old domains of your ego? Now is the time to pay close attention to how you want to live, create, love and live without the need to keep supporting anything in your daily life that is out of harmony with your Presence. For, in essence, beloveds, you are being given the opportunity to use the energies of these times to create what you would NOW like to see manifested in your lives on the Earth.

~ Those within the Orders of Melchizedek

You are determining your future as well as the future of humankind. As emissaries of your own beloved Presence, you are being called to establish, maintain and deepen the harmonic resonance that exists on the spiritual levels between all forms of life. To move into Unity Consciousness, this resonance must first take place within your own being and within each of your relationships. We invite each of you to become a deeply discerning witness to the play of your ego. Just as the ego eventually became a powerful influence over the mind, it became equally established within the emotional or feeling nature of nearly all human beings until nearly everyone forgot how

to experience true spiritual intimacy or to live in authentic unconditional love. When the feminine, naturally loving feeling nature of the human being collapsed into the demands of the ego, an age of darkness ensued and only now are the veils of that age being lifted.

Love is the door and the only true entrance for moving yourselves into Unity Consciousness. As the foundational key to your next Golden Age, the love that is seeded within your heart and maintained within the higher feeling capacity of your Divine Feminine nature cannot be denied. For this level of your consciousness resides within both men and women and it must be nourished and supported during these transitional times. It can no longer be hidden in the closet like some unwanted child, for *this precious part of yourself holds the key to your liberation!*

Discover what truly nourishes you and makes you feel good beyond just the temporary pleasures of your world. Find out how to sustain your connection with the *unlimited* feeling nature of your Divine Feminine while being willing to look at any undercurrents that may be motivating you to remain in pain or separation from your Presence and the eternal joy that is the natural estate of your True Self. This is not asking you to eliminate the

external, temporary pleasures of the ego, yet rather to embrace them for their temporariness.

Your ascension is inevitable; however, your conscious participation can greatly assist this happening *now with ease and grace, rather than sometime or lifetime in the future. Being present within both the expanded mind of your Divine Masculine and the expanded heart of your Divine Feminine will assist you in moving out of the play of the limited ego.*

We remain in gratitude for your ongoing willingness to live as your Beloved Presence upon the Earth at this magnificent time of your great awakening into the Self you truly are, both individually and collectively. You are truly the builders of your new Golden Age of Freedom and when each of you removes your support from any of the old ways founded in fear, lack, duality and separation, then they will simply fall away since it is only your attention and belief that has given them their reality.

Go forth and nourish only that which you truly want to see manifested for the good of all life, and then keep your attention only on THAT! You have the support of all of us in the ascended realms to once again manifest a new Golden Age on your Earth. You came into the world

during your present cycle because it is within your Divine Blueprint to be a part of this grand manifestation and we are all dedicated to supporting you until living in Unity Consciousness becomes as natural to those of you on Earth as it is to those of us living in the ascended realms.

When you practice seeing the Presence in every situation and in all those you meet along the way, you will find that there is only the Divine in action and all else is illusion based on the temporary play of the ego.

To assist you in moving beyond limitation and manifesting your life as your True Self, we in the Ascended Realms are bringing forth ***2013: Creating Your New Life and Manifesting AS Your Enlightened Presence***. We invite you to join us.
