## **Moving Beyond Limitation Part II**

*This is a transitional year that is unprecedented in its possibilities for creating your life anew. As you continue to witness, understand, transcend and forgive the part that your ego has played in controlling your everyday lives and your relationships, your true freedom~which can only come from living as your Presence~will begin to reveal itself to your heart and*

*soul. It is now time to fully connect with the eternal wisdom of your unconditional, unlimited Presence and as this continues to take place within the hearts and minds of vast numbers of souls, it will create a literal wave of unprecedented peace and joy that will sweep across the face of every nation. Eventually the old third dimensional paradigms founded in fear and limitation will draw to a close and their transformed energy matrices can then be used to create your new Golden Age of Freedom. You are here to be part of this creation and we have tremendous gratitude in our hearts for your willingness to remain increasingly more aware to the possibilities that lie before you*

~ Masters Saint Germain and Lady Quan Yin

As you continue to awaken to how you can redefine your life, your ongoing excitement of how you can create anew in the present will begin to lift your mind out of the limiting confines of your past or the ways you may have previously projected your past into your future. The often unconscious fear of repeating the pain of the past can be lifted out of your experience as you place your attention fully on the present moment, which is the only place your *Presence* truly abides. Only your Presence

has the unlimited power, wisdom and unconditional love necessary to take you into the freedom of Unity Consciousness.

There is a profound harmonic relationship that must exist throughout the whole of your being if you are choosing to ascend into Unity Consciousness. You are responsible for creating and maintaining this internal resonance and this can only come when you are unconfined by the programming of your ego. Your greatest opportunity for doing this lies in your day-to-day relationships as they are continually providing you with an avenue for living in authentic harmony with your Presence and those around you. Your relationships are the arena you have chosen to practice unconditional love and *love remains the key* for moving into Unity Consciousness, and the key to your liberation from your ego's fear-based ways of creating your life in the past.

You are truly the only one who can choose how you want to live your life, how you want to demonstrate your love for others, and how you want to create and co-create your next magnificent new cycle of life on your Earth. Paradise is all around you, yet many miss it because they are so internally driven by the temporary dictates of their egos.

As you remove your support from any old ways of living that were founded in fear, duality and separation, you will find that the Presence is right there waiting for you to create anew.

You have the ongoing support of all of us in the ascended realms when you are creating as your Presence because your Presence is already one with us and we are all creating together to manifest your new Golden Age on the Earth plane.

As you continue to see *ONLY the Presence as God being demonstrated in all of life*, your energy field will lighten considerably, especially as *your Presence begins to provide you with miraculous solutions* to the so-called unsolvable problems that you may believe you have to deal with in your everyday life. *Let your Presence handle it all and miracles and profound synchronicities will become increasingly more natural* until you are truly experiencing the profound joy of just being alive and present as the love you truly are and were always meant to be.

Come play with us in the eternal spirit of the Divine that is your true nature so we can all live in the Oneness that is your natural and omnipresent state of being. We continue

to love and support you every step of the way while knowing that there is no actual *place* that you need to get to in order for you to be loved, seen, heard or recognized as your own Divine, eternal Presence. Only your ego has deceived you, yet it can now become your ally.

To assist you in moving beyond the limitations of the ego and manifesting your life as your True Self, we in the Ascended Realms are bringing forth *2013: Creating Your New Life* and *Manifesting AS Your Enlightened Presence*. We invite you to join us.
