Living in the New World Part II

There is nothing that is impossible for you to create as you enter into your glorious new year of 2013. Use not the templates of your personal or collective past as a guidepost into your future, yet rather align with what is now possible given the tremendous support we, as the builders of the form world, are now offering you as our co-creators. We have not invited you to join with us in

creating a new age since the last golden days of Atlantis, yet since December of 2012 many of you are awakening into your roles as planetary and galactic emissaries who have come here specifically to create the foundations for your new world.

Many around the world are starting to remember who they are and how they created before the fall of Atlantis. Between now and March of 2013 you will all be given many opportunities for moving your attention out of any residual remnants of duality, scarcity or fear based on memories that may still be keeping you from living in the freedom of Unity or Christ Consciousness.

~ Council of the Elohim

As you continue to assimilate the great increases in Love and Light that are showering your Earth and all life upon her since your planet merged her consciousness with the Central Sun of your galaxy, you will continue to move into a more intimate relationship with the ancient knowledge that is encoded within your crystalline DNA. This will increase your capacity to co-create with the Elohim and each other on the level of your Presence.

Your planet's spiritual alignment with your Central Sun is giving all of you a more direct access to the Love and Light of Source. These vast energies will continue to fill your being with more joy, gratitude and enthusiasm for the opportunities that are presenting themselves to you during these magnificent times. The Light and Love of the Central Sun, also known as the Heart Center of your Galaxy, will continue to expand the Divine original encoding that is seeded in your heart so you can feel the depth of your potential to merge completely with the heart of your God Presence and together you can work as a singular unit of co-creative intelligence.

As the veils between the dimensions continue to lift, more and more souls will begin to realize that now is the time to take advantage of this tremendous, *once in a lifetime opportunity to co-create a totally new life on your magnificent Earth*. The misconceptions that have held humanity bound to the old duality paradigms are beginning to fall away as are the many limiting belief structures that have been supporting the limiting ideas that have been held within the individual and collective egos of humankind.

As you move deeper into your potential to create as your Presence, excitement will rise out of the hearts of so many around your world that it will act as *a great tidal wave of unstoppable joy*. Based on the unlimited nature of your co-joined Presences, this wave will start to land on every shore where it will have the opportunity of assisting thousands in seeing past any resistance they may have had to ascending in consciousness with your Earth.

Those of you who have learned how to transform pain, fear and lack of abundance back into the Love and Light of Source are assisting greatly in charging the hearts of humankind with their higher potential to live on Earth as their Presence. *What greater service is there?* Even though each soul must be deeply present and engage in a certain percentage of their own clearing to prepare for merging with their Presence, these times are filled with *a great deal of Divine Grace* based on your Earth moving with you through your ascension.

As the consciousness of humanity moves into more of her galactic inheritance, each of you will be moving into more of your expanded co-creative capacity to work with us, the Elohim, the Archangels and each other in building the foundations of your new Golden Age.

Stay present, aware and awake as the embodiment of your Presence so you can access the multidimensional levels of your consciousness and all of the gifts you have been carrying throughout the centuries within the living akasha of your soul. These are all a natural part of the consciousness of your Presence.

What is happening now has never happened before in the history of your planet, don't miss it!
