Golden Age Leadership Part II

You have waited for the times you are now living in for centuries upon centuries, and opportunities are now before each of you that have not been available to humankind since the last Golden Age of Atlantis. It is not a time to settle for life as it has been, yet rather a time to participate in creating your new Golden Age. The leadership for this Age can only arise out the Divine

Love of the feminine domain of the Presence that is encoded within the depths of every heart around your globe ~ in balance with the masculine domain of the Presence.

~ The Masters in the Councils of the Opalescent Heart

You may be wondering if moving into a new Golden Age is really possible given the overall consciousness of those living on your Earth, and we tell you that it is *more* than possible *as enough of you* choose to focus your energy and your gifts and talents into bringing your world into Unity Consciousness. *Golden Age leadership begins with each of you.* Up until now many of you have been focused on trying to be happy or successful, and although events, relationships and the material things in your world can bring you temporary pleasure, they cannot bring you the kind of lasting happiness that you are truly seeking. Divine Joy is a natural part of the Presence that abides within you and when you give the leadership of your soul over to your Presence, that is *the beginning of true happiness.*

Outer circumstances cannot bring you inner peace or bring you into unity with your Presence, which is your true Beloved. You do not have to work to attain the qualities of your Presence, yet you do need to surrender into them as your natural estate of being. This surrender into Divine Grace holds the ultimate potential of dissolving the opposing forces within you so there are no longer any saboteurs that can divert you from living as your Presence. This involves your willingness to transform the duality patterns that have kept humanity from living in Unity Consciousness for many thousands of years, so you can see their play in your life and remain unaffected by their influences. War within and without can only continue as long as duality and fear are given the power to control humanity's consciousness.

Your opportunity in this embodiment is to express all of the unifying qualities of your Presence from so deep within your being that others can *feel* and *remember* that they also have access to their Presence and that they do not need to keep living in duality consciousness. ***Focusing on your Presence as your True Self is one simple way you can be a leader in shifting your world into Unity Consciousness.***

You are already one with all of life on the essence levels of your being and that essence is now expanding the Divine Love within **both** the feminine **and** the masculine expressions of your Presence so the potential to live in Divine Love can be extended into every heart around the world and people can remember that Love is their essence and who they truly are! This cannot become a reality if it is held solely as a mental concept as it must be *embodied* and *felt* by as many of you as possible so Divine Love can become the foundation of your new Golden Age.

If you judge any form of life, you lose your connection to this Divine Love that is at the core of the feminine essence of your Presence and you will miss the highlights (the high **Lights**) that are available to you when you see **only** the essence of Love that is at the core of all life. This *core* contains the *original encoding from Source*. When you become a loving, neutral observer, then you remain in resonance with your Presence where you *want not* and *fear not* and only see the essential Self whose consciousness is beyond and *outside of* all appearances. Your soul holds your ultimate potential for becoming one with your Presence and therefore *one with the all-embracing Divine Love and Light of God* that is holding all of life together. Your freedom is in that Oneness, and

it is in that Oneness that your new Golden Age will be manifested on your Earth.

We in the Ascended Realms are bringing forth the *New Golden Age Leadership Training* to assist you in being living demonstrations, wayshowers and leaders of a new Golden Age of Freedom. We invite you to join us.

***The New Golden Age Leadership: Uplifting, Balancing
& Transforming Our World***
