June 2013

## **Time for Your Presence to Lead the Way Part I**

*This is an invitation to move the whole of your attention and your consciousness from your ego into the essential love nature of your Presence. This is our clarion call at this time because of its importance to humanity's ascension into Unity Consciousness. Love must be revived as the essence that is abiding within the core of everyone's heart if the ascension is to have the support*

*it needs to literally lift humanity's consciousness into the 5<sup>th</sup> dimension where everyone is fully present and abiding in unconditional love. Very few in your world have accomplished this since your last Golden Age. Moving out of the dominance of your ego and living as your Presence in Oneness with Source is a giant, yet totally necessary leap for humanity to make so the human race can succeed in moving into Unity Consciousness. You are living at the most important time in your history and we are all here to support you in being wayshowers and leaders of your new Golden Age.*

~ The Masters in the Councils of Shamballa

The old techniques for reaching enlightenment and ascending out of the past have not worked or you would all be living as much more *conscious* masters on the Earth plane. The adage “to be in the world, but not of it,” has not have been completely understood. It refers to how to live on Earth in total love so Unity Consciousness can be your reality and you will remain unaffected by the duality, fear, and separation paradigms that might still be playing out in the world around you.

The feminine capacity of your Presence to *live as the Divine Love you truly are* has been sorely absent within the overall consciousness of humanity. **You are the agents of change who have been called to educate and lead humanity into whole new ways of living on your glorious Earth.** Your soul was sent into this world at this auspicious time to first *be a living example of what is possible*, regardless of outer circumstances. There is a literal explosion of consciousness going on that is being augmented by the great Light of your Central Sun so Love could no longer be submerged beneath the waves of humanity's ignorance of the importance of the Divine Love nature of the Presence.

The Source Love as the Divine Feminine and the Source Light as the Divine Masculine expression of the Presence must be equally recognized and respected if the soul is to embody enough Divine Love, Wisdom and Power to literally *blaze* through the illusions that have been held within the unconscious domains of the soul. These domains have been holding centuries of limiting programming that were created out of fear, doubt, insecurity and separation from the Presence. These created limited beliefs and patterns of behavior eventually left most everyone having *no idea of who they are or why they are here*.

The world desperately needs new teachers and leaders who are aware of their relationship to the Love and Light of Source through their own God Presence. Humanity needs to know that they have the power to create new visions that are based on the unlimited consciousness of their Presence and that living in freedom from the old 3<sup>rd</sup> dimensional paradigm can become a reality on your Earth plane sooner, rather than later. The old paradigms are no longer serving you or the world, and your past has surely shown you what you don't want, and it has provided you with the wisdom and the passion to create anew *as your Presence* rather than from the limited mind of your ego.

Many of you are still in the process of being stripped down to your essence so you **can** create and become wayshowers and leaders who are living from the consciousness of your Presence. What you will then be creating and teaching can become a model of Golden Age living for generations to come.

As more and more people awaken, the grid of consciousness that you are all sharing is being filled with so much love that it is beginning to amplify your capacity to draw upon the abundance and wisdom of the universe. As this continues, any fear of lack and limitation will be lifted from your consciousness and you will discover that Divine Love has the power to allow you to magnetize

from the universe all that you truly need to create your new world in Unity Consciousness.

To assist you in being living demonstrations, wayshowers and leaders of a new Golden Age of Freedom, we in the Ascended Realms are bringing forth the New Golden Age Leadership Training. We invite you to join us.
