Time for Your Presence to Lead the Way Part II

As you continue to release your mind, heart and body from any of the limiting programming that you may have adopted over the centuries, you are embodying powerful new frequencies that humanity has not had access to for millennia. This is opening up your potential for leading the world into her true destiny as the heart center of your galaxy. Now is the time to see

what your heart is calling you to do so you can place your focus on embodying your service in the world while moving into your leadership capacities for manifesting your part in your soul's Divine Crystalline Blueprint for these times. This long-awaited alignment is expanding your desires to be part of creating a new Golden Age on planet Earth.

~ The Masters in the Councils of Shamballa

Now is the time to merge with the exquisite essences that are making up the expanded consciousness of your Presence. This is a clarion call being sent into the depths of every heart. Those of you who have decided to answer that call are already in the process of moving your consciousness into your expanded capacities to create, live and lead from the heart and mind of your Presence.

When your *perception* shifts into the Presence and out of the illusionary limitations that have appeared so real in your 3rd dimension, struggle ends ~ and happiness, success and love are no longer the immediate issue because those things are simply by-products of living as your Presence and of being leaders who are establishing even now what it looks like to live in Unity Consciousness.

You are all involved in a massive collaboration that is facilitating your ascending into a new domain of consciousness. *By cosmic law, you must each be intimately involved in doing whatever is necessary to make this a reality.* We are all here to support you, yet we cannot make the ascension for you. What you are going through now is truly involving your entire star system and we are here to support you in being conscious leaders and wayshowers.

The Central Sun Logos is offering its support by merging with the environs of your Earth in a way that is increasing all of the Source frequencies on your planet and within your bodies. Our Angelic Hosts and the Celestial Hosts of the Elohim, who are the builders of the form worlds, are circulating ever closer to your Earth so you have all you need to transmute and transform your past as effortlessly as possible. We are quite involved in seeing you go through this without getting caught in the drama of your past so you do not recreate it in your present.

This Divine Grace is taking much of your fear-based programming out of your body based on specific percentages that **you** must transform in order to fully establish your mastery of the material plane. This involves establishing new ways of living your life on Earth that are beyond the influences of the limiting energy grids that have been supporting the 3rd and 4th

dimensional domains of your consciousness.

In essence, you are being invited to move completely out of all fear-based programming that has ever established separation and duality on your planet on the 3rd dimension as well as within the lower domains of the 4th dimension that are housing most of the souls who have transitioned out of your world. Duality is obviously not an energetic frequency that is part of living in Unity Consciousness since it divides and separates rather than unites and supports the whole so you are living as your Presence.

You can see, beloveds, that this is no small endeavor, yet we are all here working with you side-by-side so this Great Shift into your new Golden Age can become a palpable reality that you can see, hear and feel within your own being and within the world around you.

Many of you are sensing that you are here to facilitate this shift by being teachers and leaders and we applaud your willingness to step forward so what you are inwardly knowing can become your outer reality. Your new world will be founded in very expanded frequencies that will *only* be supporting you living as your Presence within a world that truly knows no separation from Source. You have all been on a very long journey that is now touching upon the shores of your new Golden Age.

To assist you in being living demonstrations, wayshowers and leaders of this new Golden Age of Freedom, we in the Ascended Realms are bringing forth the *New Golden Age Leadership Training*. We invite you to join us.
