## Seeding Your Future *Part I*

*You are now being invited to manifest the foundation for a new world and a Golden Age. Your passionate desire to live in your mastery so fully that you can give your new creations your focused love and attention will create your new life and your new world.*

*The decisions you are making now are seeding your*

*future and determining your ascension into living as your enlightened Presence. You all have the co-creative powers that were bestowed upon you by Source when you were first conceived out of the Heart of God. Now more than ever, it is important to stay aligned with your Divine Presence so it can entrain your mind and your heart to think and feel ONLY what you truly what to see manifested in your new world.*

*To make the shift into the loving peace, freedom and abundance of Unity Consciousness, your current world needs awakened human beings living in conscious relationship with their unlimited Presence. It is only from the mind and heart of the Presence that a new reality can be precipitated that is truly a demonstration of what it looks and feels like to be living and creating in the grace of Oneness.*

~ Gautama Buddha and the Councils of Shamballa

As you expand into the unlimited, multidimensional consciousness of your God Self, you will be lifting your perceptions into the higher frequencies that are already within the sphere of consciousness surrounding your body. Within that sphere is the wisdom you have gathered throughout the ages, much of which can now be used in creating a new Golden Age for *now is the time to seed and nourish the next cycle of your life.*

You are being invited to co-create Unity Consciousness on your Earth so it can become the basis of your every thought and feeling. You then become part of a giant magnetic field of attraction that has the power to attract the necessary Love and Light from Universal Source to make this a reality in every heart and home and lift humanity out of fear, lack and separation.

Your desired future is existing simultaneously within your present, which gives you tremendous grace and ease of being able to move your consciousness outside of perimeters that have kept you living in a time-based, constrictive 3rd dimensional world. As you become an active part of creating your new life and your new world, you will find that it is you together with other dedicated Lightworkers who are making this great shift possible. We in the ascended realms are all here to support your part in the Divine Plan that you are all creating.

As part of this tremendous co-creation, you are being invited to do your part in manifesting this great wave of consciousness that thousands will be able to ride with you into the shore of your new beginning. We invite you to participate in the *Manifesting As Your Enlightened Presence Teacher Training* in March that will be focused specifically on what each of you want to create as *your glorious new life*, that will also be your part of this great new wave of consciousness that will support so many who know deep in their hearts that they are here to take out the

old and bring in the new.

You are all divinely blueprinted by your soul and your own Presence to bring in this new reality because you are the ones who have already agreed to seed your new reality. Your new creations will be in harmony with the unlimited 5th dimensional matrix of Love and Light that is already surrounding your Earth and your bodies since this is the first dimension of Unity Consciousness. Now is the time for this dimension to be demonstrated and spiritually *realized* upon your physical plane!

We hope that all we have shared with you, beloveds, is as exciting to you as it is to us and that you can all become deeply passionate about creating Unity and Oneness as the true foundational basis of your new world. We are here to support this new reality and your new ways of co-creating together now and in the days ahead.

We in the ascended realms invite you to the Spring Equinox Initiations to personally and tangibly receive our support to manifest from Source *your new unlimited life* with ease, grace and joy. We call this the “opportunity of a lifetime” for *all souls have been waiting to manifest from Source as their enlightened Presence*.
