## **Seeding Your Future Part II**

*Your Earth is like a magnificent garden that is sustaining your potential to plant a new way of living in your world. The quality of your thoughts and feelings are being sent into the Earth and into your environment each and every moment. These thoughts and feelings are either nourishing OR diminishing your capacity to live and create in Unity Consciousness as your*

*Presence. It is time to weed your garden as well as choose what you really want to plant so you can see everything manifesting in a way that truly reflects the consciousness of your Presence in these times that are calling you into your full mastery. When you are living as your Eternal Presence, you are always being nourished and supported in creating whatever is in the greatest harmony with the best in all of life on every level and dimension.*

~ The Masters in the Councils of Shamballa

When you are truly abiding within your Presence, you are then living as a multidimensional being capable of accessing and creating using the many diverse domains of consciousness that you then have available to you. During your present cycle, you are being invited to create your new world in unlimited Unity Consciousness on the 5<sup>th</sup> dimension. Why? The 5<sup>th</sup> dimension is protected from literally being *invaded* by any limiting 3<sup>rd</sup> and 4<sup>th</sup> dimensional thoughts or feelings that have historically been based in fear, separation and duality because that is not to be part of manifesting your new world.

We have created a Teachers Training on March 20-23 that will focus on what you want to manifest in yourself

and in your world that will truly reflect your capacity to create as your Presence or Master Self. To manifest whatever you want to bring into your life at this time, we will be drawing upon the very potent energies that will be coming in during the Spring Equinox. These energies will be used to expand your capacities to create without any hindrances based on old paradigm thinking or living.

To create the new, **you** must be new; so any veils between you and Presence will be lifted during this Spring Equinox Training empowering you to truly create new ways of living, loving and experiencing yourself in relationship to all of life. The time is now ripe to reap what you have sown within your own Divine Crystalline Blueprint for these times so you can enter this new cycle of your life on Earth as a co-creator with your Presence and with others who are equally interested in creating and living in the peace, harmony and abundance of Unity Consciousness.

Humanity is blueprinted to ascend into Unity Consciousness and it would behoove you to focus on creating your life and the world around you in a way that will truly support your ascension, the ascension of humanity and even that of Gaia. Every time you create

from the level of your Presence, you are contributing to Gaia's realignment with her own Divine Crystalline Blueprint for these magnificent times. Because your body is made of the elements of the Earth, whenever you transmute any limiting component stored in the cells of your own physical form, you are simultaneously helping to transmute the physical *body* of Gaia who has over the ages assimilated so much of humanity's dross.

To co-create with your Presence in this next cycle of your glorious unfolding as a Golden Age being, you need to have equal access to both the Divine Masculine and the Divine Feminine aspects of your Presence. Since the Feminine has been so weak and so overpowered by the dominate male mind within the human race for so many thousands of years, during the March Training we will also focus on how to access your Divine Feminine manifesting abilities as ***this is the key to creating miracles!*** By strengthening the Divine Feminine abilities, the very intimate connection with the Heart Center of all of life can be re-established within your world. Divine Love can then become the major foundation of your new Golden Age of Enlightenment and all beings can remember that Love is who they truly are!

It is important that no soul feels limited by being less than whole and that both men and women realize that they have the potential *right now* to co-create *their next cycle on Earth within their fully balanced, 12-fold spectrum of being and that they have all they need to create when they are One* with their fully enlightened Presence.

We in the ascended realms invite you to the Spring Equinox Initiations to personally be trained how to manifest from your unlimited enlightened Presence.
