## **Co-Creating 2012 and Beyond Part II**

*A Golden Age does not just emerge out of the ethers. It is created out of the intentions of thousands of souls who desire to progress into a higher dimension of consciousness. Many of you are now in the process of finding kindred souls all around the world so you can join forces to create your next dimensional shift individually and collectively as an entire planet. All of the cosmic energies that are streaming into your planet are here to assist you in taking your next steps to co-create a new Golden Age on Earth.*

~ The Cosmic World Mother

Thousands upon thousands of you are remembering that you are here to be a more conscious part of co-creating your next cycle of being. In the new dawn of your individual and collective possibilities for shifting the consciousness of humanity out of the confines of its limiting 3<sup>rd</sup> dimensional matrix, all of your unnecessary Earth memories are starting to burn away to make room for the phoenix that is surely rising out of the ashes of your past.

As you continue to embody more and more of your mastery, you have the opportunity to inspire others to become more active participants in their own awakening. You are all part of opening each other's hearts and minds to the possibilities that lie before you during your pivotal Shift in the Ages.

A new world does not just appear out of nowhere, *you are actually creating it everyday* with where you are focusing your attention, your thoughts, your feelings and what you are communicating to others and how you are responding to what they are communicating to you. This includes what you are watching on television or seeing at the movies or what you are reading even casually, as creation has no beginning and no end. For wherever you place your attention, that is where your consciousness is and that is what you are creating *more of* in your atmosphere and placing into the collective consciousness of humanity!

You are now beyond the cusp of your new times and well within the Light and the Love that is literally magnetizing you into your greater potential for making a real difference in the world. *You are being invited to become a living example of how to create from the consciousness of your own God Presence*—no matter what is going on in the world around you. As you align with your Presence, you also become our emissaries on Earth and we are always here to assist you in your creations for reinstating Paradise on Earth.

Your conscious participation in creating your next cycle is also part of your Earth's progression through the cosmos. You are all going through energetic portals of initiation with her that are adding much more light, wisdom and authentic power to your words and actions. As this continues throughout this year and beyond, each of you is moving into a greater alignment with your expanded potential for co-creating your new world. The Photon Belt is showering you with more particles of Light than you have had in your world *for thousands of years*.

You do not automatically just wake up one day to a new world—it is consciously created. Yet we can tell you that you have known previous Golden Ages and those memories are now being stimulated based on the increases of Light that are now assisting in opening the ancient crystalline strands of your DNA. As your consciousness continues to open, you will start remembering how *you once participated in creating Golden Age civilizations* and how you were once a part of *every kingdom living in paradise*.

As you continue to transit from the old paradigm to the new, remember that you, beloveds, are the ones who are creating what you want to bring into your new world. You are now moving through a divine passage that is literally filling you with the Light and Love that you can now use to consciously begin creating your new Golden Age on Earth. During this unparalleled shifting of the consciousness of an entire world, we invite you to join us for four days in Retreat and our next training in June, ***Consciously Create a Golden Age*** to become a certified teacher in facilitating the Courses: ***Co-Creating 2012 and Beyond in Unlimitedness & Joy Parts I and II*** as well as ***Co-Creating a New Golden Age***.
