## Embodying Your Presence Part II

*Some of the Great Light that is being sent into your world is coming from outside of your immediate solar system because you are in the middle of a planetary and a galactic ascension. Your successful ascension through the 4th and into the 5th dimension is ultimately going to shift all of the personal and collective levels of consciousness that have been supporting your 3rd dimensional reality for thousands upon*

*thousands of years. Some of you have been consciously preparing for this ascension, and you may be called upon to assist your fellow human beings in understanding more about the wonder of what is taking place as all of life continues to move into its next stage of spiritual evolution. You are all in the midst of one of the most glorious events the residents of your Earth have ever experienced.*

~ Sanat Kumara and Lady Venus

Your progress in moving into Unity or Christ Consciousness on the 5th dimension is presently unfolding in direct relationship to the amount of Source Love and Light that has been activated within your heart, and within and around your body. The pulsing, living eternal Love and Light of Source is deeply seeded within the cells of your physical and etheric bodies, yet these energies must be lovingly supported if they are to keep expanding. Although many of you have lived in 5th density before in both Lemuria and early Atlantis, you did not get there by ascending through the 3rd and 4th dimensions, as your world had not yet descended into that level of density. That is what makes your present time so utterly unique.

As you continue to remember the magnificence of who you truly are and why you are on Earth at this specific time, you are creating *reverberations* that can be felt far out in space.

Everything you have gone through is creating these reverberations that the heavenly hosts then use to stimulate the consciousness of other human beings who are ready to awaken into their potential to embody and live as their God Presence on Earth in the new Golden Age that is fast approaching.

Metaphorically, we are witnessing you climbing up a tremendously glorious, yet rather steep mountain to reach a bright, almost blinding white light that is pouring out of its summit. And now, beloved, you are coming close to that summit! You are in the great pinnacle of many lifetimes of dedication to your mastery. Yet do not stop now, for you know that it is always steepest the closer you get to the summit.

Your heart and the whole of your body must literally be prepared to make your ascension into the greater Light. Otherwise, the closer you get to the summit, the more it will activate the older energies within you that have not been transmuted and transformed back into the purity of the Light and Love of Source. Your Presence is always available to assist you to walk in your true mastery and make your ascension, and we of the ascended realms are also here to help you align with all the glorious creative frequencies that are a natural part of your own God Presence so you can embody unlimited consciousness and live in the joyous freedom that is your true state of being.

You are here to be the Love and the Light of the world. You are *how* God walks the Earth and shares love, and indeed how God sends love into the world and into every part of life that inhabits your world. Your willingness to expand this Love throughout the world is how you become a true emissary of the Creator and the living embodiment of your Presence. This is the greatest opportunity of any lifetime, and one that is being offered to you as you walk through the remainder of 2012 and move into your personal, planetary and galactic ascensions.

We remain by your side as do countless other beings. Your galactic, solar and cosmic families are also by your side as you continue to progress into the greater domains of consciousness that you share with all of life throughout the cosmos.

In your everyday life on Earth, this may appear to have little meaning, yet if you take a moment to move your consciousness out of the confines of your limited 3rd dimensional mind, then suddenly your awareness of your potential to walk the Earth as your fully awakened Presence may come back to you because this *experience* is within the memories held within your crystalline DNA and some of those memories may go back far enough for you to remember living within glorious crystalline-based bodies in a paradise world that reflected only the beauty and magnificence of the Love and Light of Source.

We in the ascended realms will oversee a four-day Initiation process on 12-12-12 to personally initiate you in embodying your fully enlightened Presence.
