## *The Golden Age Man and Woman*

### *Part II*

*To embody your Presence and live your mastery is the eventual purpose of every life and it is truly the most exciting discovery you can make in any lifetime.*

#### **Jeshua as Jesus the Christ and Mary Magdalene**

We delight in letting you know that we are here to support you as you move through the increases of Light and Love that are cleansing and aligning your mind, your heart, and your physical body with the ascension energies that are now ushering your planet and all life upon her into a new Golden Age of Freedom.

As you weave your way through your present purification cycle, please know that a cleansing period always precedes a dimensional shift in consciousness ~ particularly one that is leading humanity and your Earth into a new Golden Age! This new epoch will involve such an expansion in consciousness that you will soon discover that you are not a solid physical being confined to a 3<sup>rd</sup> density world, for you are truly *in this world, yet not of it.*

In my life as Jesus, my beloved and I realized that to plant the seeds that would eventually bring forth a new Golden Age, we had to live our mastery by

demonstrating Unity or Christ Consciousness. We had to be models for living as Divine Humans unbound by the fear and duality thinking that had become the foundational consciousness of most of humanity. We had to live as a Golden Age man and woman and *now you are being invited to do the same for your times.*

Who are you being in the world? How are you living your life? In this cycle of your grand unfolding, these are vital questions that *will determine your future and the future of your world.* These are questions that you must ask yourself if you are to walk the Earth as a Golden Age man or woman. It is our greatest joy to witness so many of you awakening to this potential as you begin to see your deeper purpose.

What is keeping many of you bound to the 3<sup>rd</sup> dimension are the limited beliefs that are imbedded in your cellular memories. You are the product of your own thought projections and those you inherited through your genes and your environment. When you see yourself and everything around you as *holographic* projections, you realize that the form world is simply energy directed by consciousness. All you see is being animated because you wanted to experience yourself as a body, yet the animator is really the Eternal Light and Love that is holding all of your projections in place.

How do you think I performed miracles? I had to know and then totally accept that I was neither my body nor was I confined by the laws of the so-called physical world. My beloved and I realized that we were created out of pure energy of the Divine and though many of you know this intellectually, your cells are often too deeply programmed for you to surrender into the Self you truly are. Many of the exercises we have given in the **Courses to *Walk the Earth as a Living Master*** are designed to release limited information out of your cellular structure.

Some of you *are* living more and more in Unity Consciousness. You are discovering that the Beloved you seek is truly within, and that your Presence is not confined by either the agony or the ecstasy that has been recorded within your cellular memories. You are on the brink, most precious beloveds, of living as free beings. As you move into your expanded Spiritual Centers and open up more of your crystalline DNA, you will begin seeing everything and everyone in a very

different Light ~ one without shadows or the confinement of your third dimensional constructs.

*As you move into your crystal (all-Christ) consciousness,  
you will embody more of the radiance of the Eternal  
rather than placing your attention on what is temporary.*

You are now walking the bridge that is connecting you with each of the spiritual dimensions that are encoded within your etheric body. You are moving into more of your pre-separation, pre-duality encoding. And all that has kept humanity believing they are separate, fear-filled survivors hanging on for dear life is being brought up to be transformed.

You chose to be here *specifically* for these times because you knew on the awakened levels of your consciousness that you truly *have* the strength, the wisdom and the power to seed a new reality base for all future generations. To embody your Presence and live your mastery is the eventual purpose of every life and it is truly the most exciting discovery you can make in any lifetime.

*Golden Age men and women are here  
to pioneer a world that is not modeled  
or dependent on the past or the future.*

Golden Age men and women are not waiting to be chosen, they are choosing themselves because they have the passion to ascend out of the confines of the 3<sup>rd</sup> dimension and to walk their mastery in these magnificent times.

If you choose to be a Golden Age man or woman, we have created **The Golden Age Man and Woman Course** to personally mentor you to live an unlimited life of freedom, abundance and joy as your Presence and co-create a new Golden Age of Freedom.
