Conscious Ascension Part III

During this Great Shift in the Ages, you are being presented with an unprecedented opportunity to move your consciousness so completely into Source that you can experience being omnipresent while living in a body.

Archangel Gabriel

My angelic hosts stand with me as I sound my trumpet into your glorious hearts to awaken your desires to bring your body, mind and feeling nature into Unity or Christ Consciousness. The 5th Dimension is acting as a spiritual magnet that is attracting you into the freedom of your new Golden Age. We are here to assist you in ascending into an entirely new way of living in your body *on* the Earth. Your planet and your galaxy are ascending with you and much of this is happening *now*.

How is this happening?

Your planet is shifting every moment into more of the Star or Sun she is blueprinted to become. You are ascending with her, and you are also becoming an expression of your Presence as the *Sun* of God. Your body is shifting all of its frequencies around the Central Sun of your internalized solar system, which is your heart. For your heart is the center of your galaxy in relationship to the galaxy you see in your heavens. This is how you are truly bringing heaven to Earth!

You do not need to go anywhere to answer my call as all of the heavenly hosts and those of the Elohim ~ the builders of the form worlds ~ are here with you to expand as much unconditional Love and Light within and around your cellular

body as you are willing and able to receive. You always have the free will capacity to quality this pure energy by either amplifying your sorrows or your fears about your future, or focusing this Love and Light into your body, your relationships and your service in the world. Though this service often encompasses the unique gifts you have come to bestow upon humanity, *your greatest service often lies in your dedication and willingness to be fully present as your Master Self.*

As the overseer of the Crystalline White Ray of Purity that is aligning you with the dormant crystalline strands of your DNA and thus with the expanded levels of your consciousness, I am here to encourage you to increase your awareness of staying more in alignment with your Presence. Please look upon this discipline as an opportunity to simply be a *disciple* of your *own* Presence.

How you experience your existence on Earth in a body is determined by your ego mind and its working relationship with your Presence. *During this Great Shift in the Ages, you are being presented with an unprecedented opportunity to move your consciousness so completely into Source that you can experience being omnipresent while living in a body.* In fact, every quality that you have assigned to be true of the Creator is equally true of you.

Mother Mary

*The absence of being here as your Presence
and sharing that present with another is
every soul's most ancient heartache.*

The fear of embracing and thus transforming the pain that has been keeping this heartache in place is keeping human beings from becoming deeply intimate with themselves, each other and all of life. Those living in this fear are like fish struggling to free themselves from the nets of illusion. When those caught in these *nets* see the truth of their origin and their capacity to live the love they truly are, then they start aligning with the freedom that is the natural estate of their Presence or Master Self.

Life is to be lived to the fullest, yet know that I am not solely referring here to life as it is presently appearing through your third dimensional eyes and ears. The Presence is to be embodied so completely in the Golden Age you are now creating, that you will be able to see and hear more of the other dimensions of consciousness that are actually woven into your fully awakened 12-Fold Nature that has been sustained within higher octaves of your Spiritual Centers and within the dormant crystalline strands of your DNA.

As you look at yourself and your planet without the shrouds of the past, you can *see* that living *life to the fullest* takes on new meaning. Your choice is to start or continue looking *through* the world of appearances and *outside* the confines of all limited thinking and feeling.

It is wise for you to remain very present right now in this time of the most glorious opportunity that has ever been offered a race of beings still living in such density that they are at war with one another. You are a part of the greatest ascension we have ever facilitated. Thousands upon thousands of Cosmic Beings within our Councils and from other worlds are now working with you in amplifying your ascension frequencies.

With Archangel Gabriel by my side, I too am calling you home into the Heart of the One where we all live in Unity Consciousness and where we will all continue to co-create with your Presence the new Golden Age of Freedom. You are loved beyond your imagination and all your beliefs.
